MUSIC FOR ALL NATIONAL FESTIVAL

presented by  YAMAHA

**THURSDAY-SATURDAY, MARCH 21-23, 2024
INDIANAPOLIS, INDIANA**

*The Music for All National Festival, presented by Yamaha,
celebrates outstanding music-making by the nation's finest
high school and middle school scholastic instrumental ensembles.*

The Music for All National Festival's non-competitive atmosphere provides a place for growth, cooperative encouragement, and mutual respect among music programs, students, administrators, and community. Our nationally-recognized clinicians are of the highest-caliber in the music education world.

The festival experience begins before you arrive, with video sessions and support from Music for All educational consultants and staff. Once you arrive, you will stay in premier accommodations, perform in world class venues, and receive valuable evaluation, and a post-concert clinic. Sessions for all participating students offer topics such as college prep and life skills and include roundtable discussions on careers in the music industry and composer chats. Directors and students will have social events to nurture connections and interaction with peers from other programs and faculty.

Full details, package pricing, and audition/application information is available at festival.musicforall.org
