- **Risers are NOT able to be used at other venues due to logistics and moving/set-up time.**

- *Music for All may be able to assist with **additional large percussion instrument requests** for the performance halls, **BUT ADDITIONAL INSTRUMENTS ARE GENERALLY UNAVAILABLE FOR REHEARSAL AND WARM-UP ROOMS.** Please refer to the Supplied Equipment List*
- *Please understand there are a limited number of instruments available, and our staff will need time to obtain gear and plan movement*
- *Please note – there is NO supplied percussion for the Chamber Ensemble stage*

PIANO/CELESTE/HARP/ORGAN

- Please see the Supplied Equipment list for **PIANO** availability. In general, digital pianos (with weighted keys) are available for the band and orchestra rehearsal rooms, and a full-sized acoustic instrument is available at each performance hall.
- Music for All will have access to a **CELESTE** at Butler University, for use in Clowes Hall or Schrott Center. Use must be requested prior to arrival in Indianapolis, and a small rental fee may be applied. A concert **ORGAN** is available at Clowes Hall only, for an additional rental fee. This must be requested in advance. There is **NO ORGAN** at the Palladium.
- **HARP** Rentals are generally available through Vanderbilt Harps in Bloomington, IN. Please contact the store directly, but also inform your Music for All Events contact to assist with logistics as we are able.

LARGE STRING & WIND INSTRUMENT RENTAL

- In addition to other sources, **Cello and String Bass** rentals may be available directly from Paige's Music in Indianapolis, or from JuFang Liu (the principal bassist for the Indianapolis Symphony Orchestra and Music for All master class teacher). Please contact Music for All for her information, and remember to allow time for these requests to be worked out as there are a limited number of instruments available.
- If you are traveling by plane, **large wind instruments (contra clarinets, contrabass bassoons, etc.) MAY be available on loan, or rented locally**, but can be quite difficult. Please submit an equipment request early in the process or speak with your Music for All Events contact to assist with this.

- **Sound systems and PA equipment** can be rented locally. [Mid-America Sound](#) and [Indy Stage & Sound](#) are two companies who have been able to help schools in the past. **Music for All is generally unable to supply electronic instruments, PA equipment, etc.**
