Good afternoon «Participant_First_Name»,

Included in this email is a link to a DropBox account where you can access your music and part assignment. **Being accepted into the ensemble is something you should be proud of, no matter the part you play.** All of the musicians coming to Indianapolis, including you, are exceptional, and every member of the ensemble will play a vital role in the performance on Saturday night.

We have been given special permission to send music to you in advance so you can begin learning your part prior to your arrival in Indianapolis. **Once you print a copy for yourself to practice from, you are NOT to make additional copies.** When practicing, pay close attention to any additional mutes or accessories that are needed. You should be prepared to bring these items with you. If this presents a problem, please let us know.

Please remember that there is limited rehearsal time at festival. Practicing and learning your individual part on your own, prior to your arrival in Indianapolis, is imperative as it will help the rehearsals run smoothly. If you have questions, please ask!
